Foundation Institute Continuing Education Seminar

Foundation Institute, Center for Biblical Education, is exploring the possibility of holding a five-day Continuing Education Seminar at the Headquarters office this coming summer for any who would be interested in attending.

The seminar is tentatively scheduled for the week of June 10-14, 2013. We would be providing approximately 30 class-hours of instruction using Foundation Institute instructors and administrators. The majority of the instruction would be biblical while the remainder would focus on application of biblical principles.

The cost for this seminar is tentatively set at $75 for the first person in each family and $50 for each additional person. This would cover all classroom expenses, and would also include lunch and refreshments each day for all participants. Participants would need to make their own arrangements for housing, breakfast and dinner. Classes will be held at the Foundation Institute classroom, so we will need to limit the class to approximately 25 participants.

We are not asking for a firm commitment at this time, but please respond to the following email if you would be seriously interested in attending such a seminar:
