ATTENTION U.S. MEMBERS TRANSFERRING INTERNATIONALLY

This year we have a large number of Americans transferring internationally for the Feast of Tabernacles. This is a wonderful opportunity, but it requires close coordination between the U.S. and the international Feast coordinators.

All U.S. members registered on the U.S. website regardless of whether they were going to a U.S. site or transferring internationally. However, it is VERY IMPORTANT that all members transferring internationally also communicate with the international Feast site coordinators about coming to their site. This seems to be working well for some sites, but not as well for other sites.

The number of visitors from the U.S. makes a significant impact at international sites. While they welcome U.S. members, they need to know how many to plan for—those definitely planning to attend their site. In order to help with this, we need ALL U.S. MEMBERS PLANNING TO TRANSFER TO THE FOLLOWING SITES to contact the Feast coordinator at that site as soon as possible to confirm your plans to attend and giving the number of people in your party. Your help is really appreciated!
