ANNOUNCEMENTS:

Feast registration is April 24 through May 15, 2016. We ask that ALL COGWA households please complete the online Festival registration process—whether you are attending in the U.S. or internationally. We also ask that those NOT attending the Feast please register as well—as this gives us more accurate figures for planning. Members without Internet access will be assisted by their local Festival adviser.

You may access the http://feast.cogwa.org/ web page for Feast registration. The email address of the registrant will be used to identify that person’s or family’s registration account.

After accessing the COGWA Feast web page, simply click on the “REGISTRATION” button and begin the process. This first step will set up your registration portal account—unless you already have one. Those of you who registered for either the Young Adult Leadership Weekend in February OR our COGWA Youth Camps for 2016 will already have your email and password set. You do not need to set up another account.

After completing that first step, all registrants will then receive a confirmation email almost immediately. To complete the registration process, simply access that email, click on the link provided and finish the Festival registration (site selection, volunteer information, etc.) for you and each member of your household. Please be sure to complete the sections asking about “special needs,” if any exist.

We also encourage all of our members to consider how they might wish to SERVE at the Feast, as this information will be requested as part of the registration process as well.

Feast Registration Update:

Remember, you still need to register even if you are planning to transfer internationally or are not planning to attend the Feast this year due to difficulties. If you need help with registration, see your local Feast adviser for help.
