2017 Camp Applications
The COGWA Youth Camps team is happy to announce that on March 1 the application system opened to begin taking 2017 applications. We will once again be using the COGWA Portal system, but we encourage everyone to start the process by reading the article titled “Camp Application System” on the main page of the camp website (http://camps.cogwa.org). There are some specific points we would like you to be aware of before you begin your application.
We think you will find that applying via this new system is faster and simpler. As mentioned in the article, much of your information is retained for subsequent years’ applications and needs only to be reviewed (and edited if changes are needed).
For your convenience, here is a direct link to the article with further explanation and additional information: “Camp Application System.”
We hope to see you at camp this year!
