Friday Night Live:

Join us this Friday evening, Aug. 18, for our “Friday Night Live” webcast Bible study, which will begin at 8 p.m. Eastern Daylight Time (7 p.m. Central, 6 p.m. Mountain and 5 p.m. Pacific).

This month’s study, presented by Dave Myers, is titled “How to Produce Godly Children.” Many tuning in to this study are parents with young children. Conscientious parents are

concerned about how to raise their children in a godly manner. As parents, we can feel like we are wandering in the wilderness when it comes to finding solid guidelines by which to train our children. Yet our goal is to produce godly children that God will be pleased with and that we can be properly proud of. What are the most important values and behaviors that we should instill in our children? Join Dave Myers for Friday Night Live on Aug. 18 for some reassuring help in parenting. If you have specific parenting questions you’d like to see addressed, please email them to Mr. Myers at dave.myers@cogwa.org. That’s Friday Night Live on Aug. 18 at 8 p.m. Eastern time (7 Central, 6 Mountain and 5 Pacific).

Mothers’ Room:

From Greg Sargent:

Good afternoon everyone,

I have been meaning to send a note to both churches concerning use of the Mothers’ Room/Area since before the Feast this last year. The Feast Brochure of 2016 had a section on use of the Mothers’ Room which I thought should be followed in our local churches. I’m sending this email to everyone since mothers, grandmothers and friends often help out with children and sometimes take children to the Mothers’ Room. Following are some basic guidelines that we should be reminded of.

The Mothers’ room is an extension of the main hall where services are being held. Normally if not every week, the songs and messages are being “piped into” the room. The same rules would apply for the Mothers’ Room as for the main hall during services. That means there should be no conversations as you would want to continue listening to the services and also not disrupt others. We should use the Room for a temporary period only. That would include nursing or quieting our children. A scripture I’m often reminded of when watching very small children is Psalm 131:2: “Surely I have calmed and quieted my soul, like a weaned child with his mother; like a weaned child *is* my soul within me.” Basically, once a child is weaned, there would be fewer times a parent would need to take the child out of the main hall since they are fairly disciplined by that time. And, of course, the Room is for temporary use only as mentioned above. Children would not be playing with toys or each other in the Mothers’ Room—quiet play toys should be left in the main hall for them to use when returning to services.

In the past, we have recommended that during the week, small children should be placed on a blanket for quiet time at the same time the main service takes place at church each week (afternoon normally) in order for the child to get used to services.

Diapers should be changed in the rest room rather than the Mothers' Room if there is an appropriate place in the rest room to do so. Kansas City does have a changing table in the family rest room.

Thank you for your consideration to God and others. We want to honor God at services and teach our children also by example that the Sabbath is special holy time and is to be treated differently than other days of the week.
