2018 Camp Applications:

As we draw closer to summer, remember that camp applications are being accepted online at [portal.cogwa.org](#) using the same account you used to register for the Feast, Winter Family Weekend and/or the Young Adult Leadership Weekend. Details about each preteen and teen camp can be found on the camp website at [camps.cogwa.org](#). Application deadlines vary by camp, and several are coming up soon, so please pay attention to the deadline dates. Additionally, several camps offer a discount if payment is made by a certain date, so be sure to take advantage of that benefit if you are able.

Finally, we want to remind you that partial camp fee scholarships are available. We cannot pay for travel, and we like families to contribute some of the camp fee, but we are happy to help if you need assistance. Contact the camp director to start the process of applying for a scholarship.

Camp Lone Star Deadline Extended:

From Ken Treybig, coordinator, COGWA Youth Camps:

Howdy, parents and preteen campers! **GREAT NEWS!** The Camp Lone Star application deadline has been extended to **April 23**. (Camp runs from June 10-13, 2018, and staff members arrive June 10.) You can submit your application online by going to [www.camps.cogwa.org](#). We are looking forward to seeing y'all soon!

Presidents' Day Weekend Seminars:

Festival Registration:

Festival registration is open. We ask that ALL COGWA households please complete the online Festival registration—whether attending in the U.S. or internationally. If adult members in one household are attending different sites, they will need to register individually. We also ask that those NOT attending please register as well—this gives us more accurate figures for planning.

Beginning at 10 a.m. Eastern time on Sunday, April 1, members can begin accessing the <http://feast.cogwa.org> web page for Feast registration. The email address of the registrant will be used to identify that person's or family's registration account. After accessing the COGWA Feast web page, simply click on the "REGISTRATION" tab and begin the process. All registrants will receive an email verification immediately after completing the first step of registration. To complete the process, simply access that email, click on the link provided and finish your Festival registration.

Members without Internet access should be assisted by their local Festival adviser.

Registration for satellite sites: As we have already mentioned, COGWA will be sponsoring two satellite Festival sites in southern Minnesota and southern Florida this year. These are *restricted attendance* sites designed for those members in that region who find it difficult to travel to their regular assigned Feast site (Branson, Missouri, and Orange Beach, Alabama). The members in those areas will receive further information

about attendance requirements for those two sites; however, we want the rest of the membership to be aware that these two Festival sites are for those affected in that region, along with any family members who choose to join them.

Festival Registration Update:

In the first week we have over 60 percent of our U.S. COGWA members registered for the Feast of Tabernacles! While Festival registration will continue to be open over the next few weeks, we **strongly** encourage those members who have not yet registered for the Feast of Tabernacles to do so soon. This includes those who will not be able to attend the Feast. These registration numbers greatly assist us in our early Festival planning.

Please note: **Rapid City, South Dakota, is now closed** to further registration, as it is at total capacity. Those members who have not yet registered may want to consider **San Diego, California**—a wonderful West Coast destination—for the Feast this year. In addition, there remains plenty of room at all remaining U.S./North American Feast sites.
