ANNOUNCEMENTS:

2018 Camp Applications

Applications are being accepted online at portal.cogwa.org using the same account you used to register for the Feast. Simply go to your COGWA portal account, look under the Events area on the bottom left of your account main page and click on the “Click Here to Apply.” If you do not already have a COGWA portal account, go to the “Apply” page of the camp website (<http://camps.cogwa.org/apply/>) and click the link in the second paragraph for instructions on how to set up your portal account. Details about each camp can be found on the individual camp pages of the camp website. Please pay attention to the deadline dates. Additionally, several camps offer a discount if payment is made by a certain date, so be sure to take advantage of that benefit if you are able. Please note that we need a NEW photo (taken within the three months before an application is submitted) of each person that applies for camp to use in case of a medical emergency. If you need to upload a new photo, go to your portal account home page, find the name of the person applying for camp at the top right of the page under the “Household Members” heading and click the camera icon. Follow the instructions to upload a new photo and make that the default profile image.

We would also like to remind everyone that we want all COGWA attendees who wish to attend camp to have that opportunity. To help ensure that, we offer scholarship help (generally a partial tuition scholarship) to those who need it to be sure they can attend one camp this year. We can't pay for travel. Simply contact the camp director to request a scholarship to get the process started.

From Ken Treybig, coordinator, COGWA Youth Camps:

Howdy, parents and preteen campers! **GREAT NEWS!** The Camp Lone Star application deadline has been extended to **April 23**. (Camp runs from June 10-13, 2018, and staff members arrive June 10.) You can submit your application online by going to www.camps.cogwa.org. We are looking forward to seeing y'all soon!

Festival registration opens on Sunday, April 1, 2018, at 10 a.m. Eastern time.

We ask that ALL COGWA households please complete the online Festival registration—whether attending in the U.S. or internationally. If adult members in one household are attending different sites, they will need to register individually. We also ask that those NOT attending please register as well—this gives us more accurate figures for planning.

Beginning at 10 a.m. Eastern time on Sunday, April 1, members can begin accessing the <http://feast.cogwa.org> web page for Feast registration. The email address of the registrant will be used to identify that person's or family's registration

account. After accessing the COGWA Feast web page, simply click on the “REGISTRATION” tab and begin the process. All registrants will receive an email verification immediately after completing the first step of registration. To complete the process, simply access that email, click on the link provided and finish your Festival registration.

Members without Internet access should be assisted by their local Festival adviser.

Registration for satellite sites: As we have already mentioned, COGWA will be sponsoring two satellite Festival sites in southern Minnesota and southern Florida this year. These are *restricted attendance* sites designed for those members in that region who find it difficult to travel to their regular assigned Feast site (Branson, Missouri, and Orange Beach, Alabama). The members in those areas will receive further information about attendance requirements for those two sites; however, we want the rest of the membership to be aware that these two Festival sites are for those affected in that region, along with any family members who choose to join them.

Feast of Tabernacles 2018 Registration:

In the first week we have over 60 percent of our U.S. COGWA members registered for the Feast of Tabernacles! While Festival registration will continue to be open over the next few weeks, we **strongly** encourage those members who have not yet registered for the Feast of Tabernacles to do so soon. This includes those who will not be able to attend the Feast. These registration numbers greatly assist us in our early Festival planning.

Please note: **Rapid City**, South Dakota, is **now closed** to further registration, as it is at total capacity. Those members who have not yet registered may want to consider **San Diego**, California—a wonderful West Coast destination—for the Feast this year. In addition, there remains plenty of room at all remaining U.S./North American Feast sites.

From Mr. Blackwell:

Here is the info for the seminars at Presidents' Weekend. Go to the site, and click on 2018 and then click on Presidents' weekend. If you have trouble let us know.
