Holy Day Offering Envelopes:

The Church of God, a Worldwide Association, Inc. has printed a supply of holy day offering envelopes for use during the fall holy days. The envelopes were mailed along with the new booklet *Where Is the Church Jesus Built?* Using these envelopes for your holy day offerings makes processing much easier.

If older children turn in an offering separate from their parents, they are welcome to have their own envelopes. We are legally required to issue a receipt to the person whose name appears on the envelope. If parents want a child's offering added to their record, the parent's name must be on the envelope. If you do not want a receipt, please write "No Receipt" on the envelope.

Please clearly print your complete name and mailing address as they should appear on your contribution receipt. Please also include your donor envelope number, which was printed on your annual receipt. If the envelopes you are using do not include a space for the donor envelope number, please write your donor envelope number beneath the date in the upper left-hand corner of the envelopes (see image below). This information should be filled in on the *printed* side of the envelope. This will enable us to include the holy day offering in your contribution receipt.

Most local church areas will be processing the holy day offerings locally, so please make sure checks or money orders are made payable to **Church of God, awa, Kansas City.**

If you choose to include other funds besides your offering for this holy day (tithes, an offering for another holy day, etc.), please note that these additional funds will be treated as part of your offering for the specific holy day on which they were received. If you would prefer these additional funds be accounted as tithes or other offerings, then please send them separately.

Please remember that the seven annual holy day offerings are in addition to your regular tithes and offerings. Thank you for your generosity and your understanding.

From David Baker, regional director for the Philippines, Asia and Australia:

I know that many of us are very concerned about Hurricane Florence which will soon hit the east coast of the United States. A much larger storm – Super Typhoon Mangkhut – is expected to hit northern Luzon in the Philippines on Saturday. Mangkhut is considered to be a bigger, stronger and more dangerous storm than Florence. Please pray for the safety of the people in the Philippines and especially our brethren.

The current path is projected to pass through Baguio – the area where we will be having the Feast of Tabernacles. Often times these typhoons can damage and flood roads the members will travel on to reach the Feast site. Mangkhut is on track to be as big as Super Typhoon Haiyan which left more than 6,000 people dead in 2013. Your prayers for the protection of our brethren and the Feast site will be much appreciated.
