**FL Summer Sessions**

The faculty and administration of Foundation Institute are excited to announce the dates of this summer’s FL Continuing Education seminar. These weeklong seminars held each summer in the FL classroom have been very successful in providing an additional opportunity for biblical education for those who are able to attend. A number of people plan to return every year for the classes and fellowship.

This year we will be offering one seminar in the new building, which is in McKinney, Texas. The seminar will be five days long, beginning on Monday morning and ending on Friday afternoon. The dates are July 15-19, 2019. The seminar will offer 29 one-hour classes taught by a variety of instructors and administrators from the headquarters office. The cost for the classes is $75 per person or $125 per couple. As in the past, we plan to provide a light lunch each day at no additional charge.

Because of the move to the new building, we will not open registration until the month of February. This will allow us to ascertain the capacity of the classroom and know how many students we can accept, prior to registration. We will make a follow-up announcement explaining the registration procedure shortly after the office move is complete.

Thank you for your interest and support for Foundation Institute.
