Greetings from Allen, Texas!

From Doug Horchak
Foundation Outreach International and the Church would like to announce an opportunity for up to four young adults to serve in two different educational projects in late July/early August 2019 in the African countries of Zambia and Zimbabwe! For each of these projects, we are looking for two young adults from the Church of God, a Worldwide Association, who are interested in serving brethren in these developing countries. Each project will be a total of 12 to 14 days in length and will involve teaching English to our brethren in the rural areas of these countries.

We recommend you visit the FOI website (accessible from the COGWA members’ website). If you are seriously interested in any of these unique service projects, please pick up copies of both the fact sheet (which details requirements, dates and costs) and the ATTACHED FULL application. Note: Please submit this FULL APPLICATION (available at the information table or attached to this email). DO NOT submit the short, interest application from the website. The deadline for applying is April 5, 2019, so get your application in soon!

If you have any questions about either of these projects, feel free to contact Doug Horchak at doug.horchak@cogwa.org.
Thank you all very much!

Camp Application System Open

The camp application system is open and active as of March 1 at 10 a.m. There was a slight makeover of the website, and the camp details for 2019 were made available on the site in mid-February. You may now start applying for the camp(s) of your choice by clicking the “Apply Now” button on that camp’s web page. Alternatively, you may also begin by logging into your Portal account (https://portal.cogwa.org/acct/login.php) and looking for the “Click Here to Apply” button on the bottom left of the home page.

Please note: The system was changed this year to require that a new photo (taken within the last three months) be uploaded and the date entered before you will be allowed to fill in an application for camp. Just click on the red camera icon to the left of the “Enter Applicant Details” to upload a new photo and enter the date it was taken.
