**ANNOUNCEMENTS:**

Holy Day Offering Envelopes

Please clearly print your complete name and mailing address as they should appear on your contribution receipt. Please also include your donor envelope number, which was printed on your annual receipt. This information should be filled in on the printed side of the envelope. This will enable us to include the holy day offering in your contribution receipt.

Please make sure checks or money orders are made payable to Church of God, a Worldwide Association.

**Festival registration opened on Sunday, April 14, 2019**

We ask that ALL COGWA households please complete the online Festival registration http://feast.cogwa.org—whether attending in the U.S. or internationally. If adult members in one household are attending different sites, they will need to register individually. We also ask that those NOT attending please register as well—this gives us more accurate figures for planning.

After accessing the COGWA Feast web page, simply click on the “REGISTRATION” tab and begin the process. All registrants will receive an email verification immediately after completing the first step of registration. To complete the process, simply access that email, click on the link provided and finish your Festival registration.

Members without Internet access should be assisted by their local Festival adviser, Dave Christal.

**Camp Application System Open**
The camp application system is open and active as of March 1 at 10 a.m. There was a slight makeover of the website, and the camp details for 2019 were made available on the site in mid-February. You may now start applying for the camp(s) of your choice by clicking the “Apply Now” button on that camp’s web page. Alternatively, you may also begin by logging into your Portal account (https://portal.cogwa.org/acct/login.php) and looking for the “Click Here to Apply” button on the bottom left of the home page.

Please note: The system was changed this year to require that a new photo (taken within the last three months) be uploaded and the date entered before you will be allowed to fill in an application for camp. Just click on the red camera icon to the left of the “Enter Applicant Details” to upload a new photo and enter the date it was taken.
