ANNOUNCEMENTS:

Camp Application System Open
The camp application system is open and active as of March 1 at 10 a.m. There was a slight makeover of the website, and the camp details for 2019 were made available on the site in mid-February. You may now start applying for the camp(s) of your choice by clicking the “Apply Now” button on that camp’s web page. Alternatively, you may also begin by logging into your Portal account (https://portal.cogwa.org/acct/login.php) and looking for the “Click Here to Apply” button on the bottom left of the home page.

Please note: The system was changed this year to require that a new photo (taken within the last three months) be uploaded and the date entered before you will be allowed to fill in an application for camp. Just click on the red camera icon to the left of the “Enter Applicant Details” to upload a new photo and enter the date it was taken.

From Greg Sargent:
Contributions for African Visit Meals and necessities:
The “Feed the Kitty” jar is available in the refreshment area for collecting any loose change you may have today. This contribution will be sent to Joel Meeker to be used toward the purchase of meals and other necessities for our African brethren when he visits them.

From Headquarters:
The weather has been severe in the U.S. Midwest over the past couple of weeks. Even here in North Texas we had multiple tornado watches just yesterday—but all are fine. We know many of you are concerned about how our members have been faring in the affected areas. Below are updates that our ministers have provided:

From Paul Luecke, Oklahoma City and Tulsa, Oklahoma, and Salina and Wichita, Kansas:
Most members were able to make it to services this last Sabbath—though there were a few families who didn’t make it to Tulsa or Wichita due to closed roads on their route. I called members in the heaviest hit areas around Tulsa on Sunday. All are fine. Those impacted the most have been mainly two families:

Brethren in the Wichita area have been struggling with the prolonged amount of rain they have been getting over the last few weeks. Some families have had basement flooding. Another member had an inch of water in a finished building on their property.

From Tom Clark, Bentonville, Mena and Van Buren, Arkansas:
In our area everyone is doing well, and God has protected us. We have quite a bit of flooding in and around Fort Smith, with many road closures because the water is flowing freely over them. Most of the bridges across the Arkansas River are closed for miles around us. The only road that we currently know to be open is the one across the dam here in the area. It is a two-lane road, and with so much traffic, it is going to be a real headache to get across.

The Sabbath before the ministerial conference we had a tornado in the heart of Fort Smith that went right over the airport. One family’s home is very close, and the tornado went right over their house, doing a lot a damage just two blocks away. They were in their storm shelter and came out to find no damage other than a few small limbs. So once again, we have seen God’s protection.

From Lyle Welty, Cincinnati-Dayton and Columbus-Cambridge, Ohio, and Indianapolis, Indiana:
Monday night a tornado went through the Dayton, Ohio, area, and one touched down in Circleville, Ohio. I’ve been in touch with all the members in those general areas, and they reported wind, rain, thunder and lightning, but no damage to any property and no injuries. We’re very thankful for God’s favor and protection.

From Greg Sargent, Kansas City, Kansas, and Columbia, Missouri:
No members were hurt, and none of their property was damaged in Kansas City when the big tornado came through Tuesday. Thankfully, God is more powerful than the prince of the power of the air.
