Holy Day Offering Envelopes

If older children turn in an offering separate from their parents, they are welcome to have their own envelopes. We are legally required to issue a receipt to the person whose name appears on the envelope. If parents want a child’s offering added to their record, the parent’s name must be on the envelope. If you do not want a receipt, please write “No Receipt” on the envelope.

Please clearly print your complete name and mailing address as they should appear on your contribution receipt. Please also include your donor envelope number, which was printed on your annual receipt. If the envelopes you are using do not include a space for the donor envelope number, please write your donor envelope number beneath the date in the upper left-hand corner of the envelopes (see image below). This information should be filled in on the printed side of the envelope. This will enable us to include the holy day offering in your contribution receipt.

Most local church areas will be processing the holy day offerings locally, so please make sure checks or money orders are made payable to: Church of God awa – Kansas City

Please include only Holy Day Offering in this envelope.
