**Festival Assistance Application Announcement**  

Each year many faithful brethren contribute extra funds from their Festival tithe so that other needy members can receive the financial assistance they need to attend the Feast of Tabernacles. Last year these generous contributions enabled nearly 200 people to attend the Feast who would have been unable to attend otherwise. The Church recognizes its responsibility to see that those contributions are distributed fairly and equitably. If you have no tithable income or if you have faithfully saved your Festival tithe and still not have sufficient funds to attend the Feast this year, we will be happy to help where we can. If you think you will need additional funds to be able to attend the Feast this fall, please contact our local Festival advisor, (Caleb Froedge in KC and Dave Christal in Columbia) to get a *Festival Assistance Member Information* form. Complete the form and return it to your pastor or festival advisor as soon as possible. (All information on the form will be treated as confidential.) Ministerial Services has asked us to have all assistance applications turned in by July 21, so please pick up the form and return it to your congregation’s Festival advisor or your pastor as quickly as possible. Again, Festival financial assistance is available for those who do not have a tithable income and for those who do not have adequate funds to attend the Feast even though they have faithfully saved their Festival tithe.
