FT 2019: Montagnac, France:
From Joel Meeker, regional director for French-speaking areas:
The French Feast of Tabernacles site 2019 is located in
beautiful Montagnac (pronounced Montanyack). Situated in
forested hills a few miles from the Mediterranean Sea coast,
the VVF resort colony is reserved solely for our Festival
group. For one low price, Festival attendees enjoy room and
three meals a day, including wine with lunch and dinner. Walk
from your apartment to church services, meals and activities.
This is a particularly family-friendly site.

As is often the case with European Feast sites, we have
contracted minimums for rooms and meals—as such, we could
use a few more visitors in France this year!

If you have not confirmed your plans yet for an international
Feast site, please consider transferring to France. Airfares are
low and the U.S. dollar is very strong against the Euro, so this
will be an excellent year to travel.

Find more information on the COGWA Festival
website. Merci!

Updates:
From Arnold Hampton, regional director for the
Caribbean (September 2):
Hurricane Dorian is a catastrophic storm that is slowly passing
through the northern islands of Abaco and Grand Bahama in
the country of The Bahamas. The storm is a Category 5 with
winds of 185 miles per hour and gusts over 220 mph. They are
expecting storm surges of 15 to 20 feet and higher. At this
point, those who have not evacuated to shelters will not be
rescued in case of an emergency. We have two families on
Grand Bahama in a home that has been made as secured as
possible. Both the Prime Minister of the country and the
leaders on the island of Grand Bahama are pleading for
prayers. I echo their requests and request your prayers.
