FT 2019: Montagnac, France

From Joel Meeker, regional director for French-speaking areas:

The French Feast of Tabernacles site 2019 is located in beautiful Montagnac (pronounced Montanyack). Situated in forested hills a few miles from the Mediterranean Sea coast, the VVF resort colony is reserved solely for our Festival group. For one low price, Festival attendees enjoy room and three meals a day, including wine with lunch and dinner. Walk from your apartment to church services, meals and activities. This is a particularly family-friendly site.

As is often the case with European Feast sites, we have contracted minimums for rooms and meals—as such, we could use a few more visitors in France this year!

If you have not confirmed your plans yet for an international Feast site, please consider transferring to France. Airfares are low and the U.S. dollar is very strong against the Euro, so this will be an excellent year to travel.

Find more information on the [COGWA Festival website](#). Merci!
