BIBLE QUIZ – 1 Samuel (continued) (Answers below)

- Before Saul departed from Samuel, Samuel told him to expect several things on his return trip. THREE of the following were part of that list. (*1 Samuel 10:2, 4-5*)
 - He would see two men by Rachel's tomb, who would mention his father's concern for him.
 - His plane would be overbooked, and he would be "bumped" to a later flight.
 - Three men would greet him and give him two loaves of bread.
 - He would meet a group of men playing instruments and prophesying.
 - He would find two virgins in a woods. He was to take the taller one as his wife, and the other as a concubine.
 - He would encounter a wild beast. When he raised his right hand, the beast would fall dead.
- Saul proved himself a worthy king to the Israelites early on, by helping them defeat the Ammonites. All of the following facts concerning this were true except ONE. (*1 Samuel 11:1-13*)
 - The Ammonites were the aggressors.
 - Saul had two fingers on his left hand severed in the battle.
 - The Ammonites offered to take the Israelites as slaves if they could poke out all of their right eyes.
 - Saul threatened to destroy any of the Hebrew tribes who refused to aid in the battle.
 - Saul spared the lives of a handful of Israelites who opposed his being king.
- Which of the following statements most accurately reflects Samuel's sentiments at this time? (*1 Samuel 12:19-20, 25*)
 - Samuel was pleased that Israel now had a strong leader.
 - Samuel was impressed with Saul, but was disappointed that Israel had wanted a king, and feared for their future.
 - Now that Saul had defeated the Ammonites, Samuel knew that God was with him. Thus, Samuel could die with an assurance of peace for Israel's future.

- d. Although Samuel outwardly supported Saul, he was inwardly disappointed that his own sons were not to be rulers of the Hebrews.
4. When Israel was in battle with the Philistines, only Saul and his son Jonathan had swords or spears. Why? (*1 Samuel 13:19, 22*)
- Because God had told Saul that his army should not take weapons; He would deliver their victory.
 - Because the Philistines had taken the Hebrews by surprise, and the soldiers had not had time to get their weapons.
 - Because Israel had no blacksmiths.
 - Because the Israelites had fallen into idol worship, and had melted down their swords to make an iron god.
 - Because they had all ordered new weapons from “Swords ‘R Us,” and they hadn’t been shipped yet.
5. Who went to the Philistine garrison prior to battle on a whim to see if the Lord might help them? (*1 Samuel 14:1*)
- Saul and two of his advisors
 - Saul and Jonathan
 - Ichabod and Ahijah
 - Jonathan and his armor carrier
 - Jonathan and David
6. What curse had Saul uttered during the day of battle? (*1 Samuel 14:24*)
- A curse on any of his men who ate before Saul had gotten vengeance on his enemies.
 - A curse on any man who turned from battle out of fear.
 - A curse on the enemies of the Lord, who were “the uncircumcised worshipers of Dagon”
 - A curse on Samuel for appointing him as king.
7. What did Saul want to do with his son Jonathan, who had (unknowingly) violated his order? (*1 Samuel 14:44*)
- Kill him
 - Banish him from the Israelites forever
 - Cut off his hand
 - Forgive him
8. Why were God and Samuel displeased after the victory over the Amalekites? (*1 Samuel 15:19-21*)
- Because the Israelites slaughtered the young children.
 - Because Saul had allowed certain soldiers to sexually assault the Amalekite women.
 - Because many Israelite soldiers were killed due to disobeying God’s specific instructions for attack.
 - Because the Israelites had brought back animals for sacrificing to God.
9. How did Agag, the king of the Amalekites who was defeated, die? (*1 Samuel 15:33*)
- Saul personally killed him using his bare hands.
 - He was dragged behind a horse by the leaders of the Israelite army.
 - He was milking a cow and accidentally kicked the bucket.
 - He killed himself, when he realized defeat was imminent.
 - He was thrown in a pit full of poisonous snakes.
 - He was cut into pieces by Samuel.
10. Why did Saul originally send for David? (*1 Samuel 16:17-19*)
- He had heard that Samuel had anointed David, and planned to kill him.
 - He wanted David to play the harp for him
 - He wanted to see David’s skill in slinging stones.
 - Saul wanted him for a friend to his son Jonathan.

- e. He wanted to train David to be his successor as king.

11. How did David happen to be in the army camp when he heard the taunting of Goliath? (*1 Samuel 17:17-18*)
- He was delivering food to the soldiers.
 - He was tending sheep when God called him to go to the place of battle.
