### Headquarters Information

#### H.Q. Announcements:

#### **From Ken Treybig, National Camp Coordinator:**

We're happy to announce that the COGWA Youth Camps website has been updated with all the information for our 2020 summer camps. It features the Christian Living theme the directors chose for this year, "Firmly Anchored: Holding Fast What Is Good," as well as all the regular features—a welcome letter from Jim Franks and a couple of other articles, a map of our camp locations and pages that give all the details about each camp.

On those pages you will find the director's name and contact info, pricing, the deadline for applications, a short video describing the camp and text describing more details.
